1

Alyssum *Lobularia maritima*

Snow Crystals

Vigorous white alyssum produces mounds of sweet smelling flowers all summer long. Brighter white than 'Carpet of Snow' in last year's trials.

White 2-6" tall by 4-6" wide

Bloomtime June July August September

Amaranth *Amaranthus caudatus*

Red Spike

Ideal color and form for late summer and fall arrangements. More useful than other upright types because of its gracefully arched, feathery plumes. Compared to Opopeo, Red Spike's flower heads are darker red, more arched, and airier.

Red 48-60" tall by wide

Bloomtime

Basil *Ocimum basilicum*

Genovese Basil

Intensely scented strain of Sweet Large Leaf basil. Sweet, fragrant leaves are excellent for cooking, drying, and fresh eating. Keep compact by pinching frequently.

White flowers 12-16" tall by 12"

Bloomtime June July August September

Beet *Beta vulgaris*

Red Ace

The best all-around red beet. Rapid growth, sweet flavor, and tenderness are the characteristics of Red Ace. The round, smooth, deep red roots size early, with high uniformity. They maintain their sweet tenderness when larger and older. Medium tall, red-veined greens for bunching.

2

Broccoli *Brassica oleracea*

Arcadia

Used in our fields for several years now along with 'Green Comet' - very nice sized heads of firm florets - dark green and delicious. Grows well in our neck of the woods.

tall by wide

Bloomtime

Calendula *Calendula officinalis*

Pacific Beauty

This edible annual prefers cooler climates and blooms peak in spring to early summer but can last through the fall. The 2-3" blooms, in shades of orange, cream to yellow garland 1-2 feet tall plants. Nice for cut flower production. Attractive to beneficial insects.

Mixed

12-18" tall by 12"

Bloomtime May June July August September Octob

Cilantro *Coriandrum sativum*

Santo

Standard cilantro. Santo is a slow-bolting selection grown for its leaves. Like the leaves and seeds, the flowers are also edible.

tall by wide

Bloomtime

Cosmos *Cosmos bipinnatus*

Sonata Mix

Beautiful and bright summer flowers in shades of pink, magenta, and white - classic cottage garden flower. Great cut flower.

Mixed

24-30" tall by 18"

Bloomtime June July August September

Cucumber *Cucumis sativa*

Homemade Pickles

Pickling Cuke! Grow your own to make pickles. The vigorous 5 foot vines exhibit excellent disease resistance, and yield armloads of solid, crisp cucumbers. Pickle-shaped fruit are medium green with small white spines.

tall by wide

Bloomtime

Marketmore

Popular non-hybrid. The market standard for slicing cucumbers. Grown by most fresh market growers in NH.

tall by wide

Bloomtime

Dill *Anethum graveolens*

Fernleaf

Use the leaves for salads, soups, pickles. Dill flowers attract a multitude of beneficial insects.

4

Feverfew *Matricaria parthenium*

Roya

Border plant. Scented leaves. Daisy flowers with yellow centers.
Can be used as a cut flower. Attracts beneficial insects.

White 24" tall by 12" wid

Bloomtime July August September

Gazania *Gazania rigens*

New Day Mix

Free-flowering, compact, 8 to 10 inch plants deliver a carnival of 3 to 4 inch blooms in bright hues of pink, bronze, orange, white and yellow, many striped multicolored and picoteed. Flowers open wide during the day and close as night. Drought-tolerant series performs beautifully in containers and baskets, and as a garden edging or groundcover.

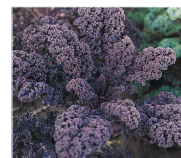

Mix 8-10" tall by 6" wid

Bloomtime June July August September October

Kale *Brassica oleracea*

Redbor

A completely magenta kale. Finely curled kale is a striking addition to salads and something new for the ornamental garden as well. Vigorous and cold resistant.

Magenta 18-24" tall by 12"

Bloomtime September October

Lavatera *Lavatera trimestris*

Novella

Compact & well branched, Novella is ideal for mid-summer pot sales for container, garden, or as a pot plant. Delicate pink blossoms.

Pink 12-24" tall by 20"

Bloomtime July August September

Lettuce *Lactuca sativa*

Rouge dHiver

Another fine French strain from the 1800's. Extremely attractive with delicious, sweet leaves of a more buttery texture than most. Turns red with cool nights. Very frost tolerant, one of the best choices for fall planting.

tall by wide

Bloomtime

Speckled Amish

Open-pollinated. An ornamental bibb of spectacular beauty, its apple-green leaves splashed with maroon flecks. A stunner in your garden or salad. Makes small firm mild-flavored heads

tall by wide

Bloomtime

Lupine *Lupinus russell hybrids*

Russel's Hybrids Mixed

The Russell hybrids are the most popular lupines. Self-sowing but with progeny whose colors are anyone's guess...makes life interesting.

mix

36-48" tall by 30"

Bloomtime June July

Marigold *Tagetes x (triploid)*

Gem Mix

A mixture of the edible Marigolds - lemon gem, orange gem, and red gem. Each lacy mound is covered with petite half inch single flowers with a citrusy scent. Great for containers or in the garden, also called signet marigolds, they are drought and deer resistant.

Orange/Yellow
